**Cinema, Easy Care, Trend und Velvet.**  
For all other fabrics and leather qualities a contrast stitching can optionally be ordered !  
**Please always note with your order if a contrast seam or standard seam is required.**

All materials used meet the requirements of the DGM according to RAL GZ 430.  
The distribution of the stitching may vary depending on the fabric, leather and synthetic leather used.  
The definition of quilted mats and cushions depend on the design or structure.  
The appearance of decorative, fell and double seams may vary depending on the fabric, leather and synthetic leather used.  
*Felled seam* : The thread color is adapted to the respective cover material and its color.

All values in the price list are approximate dimensions in centimeters, determined according to the usual measuring method (see RAL-GZ 430) and in unused new condition  
Please note that in the case of especially light upholstered furniture, particularly in the seat height and seat depth, recognizable dimensional deviations to the dimensions stated can arise. We reserve the right to make changes in shape, colour and design in the scope of technical progress.
